## Balby Central News

We are very proud this week to have our Ofsted Report published. We hope you took the time to read it; leaders are available each day on the gate if you would like to discuss it.

At our staff training this week we have worked with other schools and Sir Thomas Wharton to look at our curriculum and how to develop it to make it more cohesive with that at Year 7. This was productive collaboration between professionals.

Our children have worked really hard this week in school and we have seen some amazing work produced. Here is a showcase of some of the work from this week.

### Sculptures

Year 3 and Year 4 have been working on sculpting with wire. What a great display of colour and perspective in both year groups - well done!

### Art Work

Year 1 have worked on creating different textures and different colours; they have used different materials to create self-portraits.

## Kingswood : Year 4 Residential

What a fantastic 2 days we had at Kingswood with the Year 4 children. All the children were a credit and they pushed themselves outside of their own comfort zones to ensure that they were attempting activities. We had many children zip-wire, climb Jacobs Ladder to a height that made Mrs Hemmingway feel queasy, they zapped one another at laser and showed real resilience on the Aeroball. We were incredibly proud of their efforts and determination to 'have a go'. The children were very tired by the time we reached school on Friday but they had a great time.

Well done Year 4!

## Attendance

Whole School  
Attendance - 95.2%  
Children with 100% - 391 - can we reach over  
400 next week?

We are feeling so grateful with the huge amount of donations we have had for our attendance incentive from our staff and parents, thank you! A special shout out to Miss Finney who made us Easter party bags and BCPA surprise eggs! We can't wait to make these into hampers and reward our children with them next week!

### Things you need to know

Please see important upcoming events below - should you require further information, please see your child's class teacher .

### Parents' Evenings

Please remember Parent's Evening is on Tuesday and Wednesday next week. If you cannot make your appointment, please speak with a member of school staff.

## Ticket Treasure Trail!

Next week we have a special ticket treasure trail taking place! Every morning, there will be 6 tickets hidden on all 3 playgrounds for children to find on their way round to class. Children who attend Breakfast Club will also be participating. Once they find a ticket, they must keep it safe and come to the main office to collect a prize at

## Safeguarding

Knife crime is something that we are hearing more and more about in the news. This week's safeguarding link takes you to a website with information, support and ideas of ways to talk to your children about this topic area. Click on the link below for further information.

## Please help Year 2

Please could you bring in any old newspapers or magazines as children in Year 2 are making a collage as part of their Art project.

Please hand to any member of staff.

## Assemblies this Week

### Picture News

**Story:** Many families, who travelled to Glasgow for an event that claimed to channel the magic of Charlie and the Chocolate Factory, were sorely disappointed.

**Talk to your child:** What's the best way to handle disappointment?

### Safeguarding Assembly

One of the areas we have been looking at in our safeguarding assemblies is about sharing information online - **talk to your child** about what we should and should not share with others online and see what they have learned.

## Don Valley Music Festival

Our school choir and the trust choir are attending Sir Thomas Wharton this evening for their final competition of the term.

Good luck to you all. You have all worked incredibly hard with your singing, and the staff and parents of BCPA are extremely proud of all you have achieved!

## Parent Voice

### The Statement:

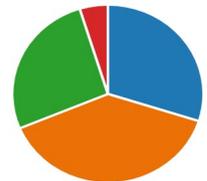

I would like the opportunity to come into school to take part in creative events with my child

**Number of responses:** 130

**You said:** 55% strongly agree or agree, 5% of you stated you could not attend.

**We respond:** We hope to work with parents more often and we are currently looking at ways in which we could invite parents in to work with your children.

Watch this space, more to follow soon...

## Packed Lunches

Some days it is really hard to think of what to add to your child's packed lunch. Children soon get bored and it can be a real bind to keep changing them. Next week, we will be gathering examples of varied packed lunches and will give many examples on Central News of what makes a great packed lunch.
