### News

On 1st December, some of our Year 5 children will be performing at The Doncaster Dome to showcase their amazing singing that they have worked so hard to learn. We look forward to sharing the pictures with you next week.

Your children are busy practicing their words and songs for Christmas concerts, please support them with learning lines and get them to keep saying them at home - nice and loud!

### Our attendance this week is:

**Whole School – 90.1%**

**Highest house – Scotsman Green with 92.2%**

It is important to take your child to the GP when you are concerned about their health and wellbeing however, they don't need to visit for minor illnesses. It isn't necessary for them to attend a GP appointment with a minor illness like a cough or cold as well as a sickness or diarrhoea bug. We would recommend taking your child to the GP if they have a high temperature for more than 2 days which cannot be improved with medication, if your child has had repeated bouts of sickness or diarrhoea for more than 3 days or if they have had a cough or ear ache that has not improved for more than 4 days.

Please speak to your pharmacy or visit <https://www.nhs.uk/> for further advice.

### Reading this week

Let's keep it up.

Year 1, I challenge you to read twice each next week.
