### News

#### Help us clean up our school

This week you may have seen our children and adults tidying the grounds around school. There is a lot of litter and we need your help to keep it clean, tidy and nice for the children of BCPA. Please help us in our efforts to keep school nice and inviting by not dropping litter on or around the premises. Thank you!

#### Balby Central Ambassadors

Our ambassadors were great representatives for the school in using the self scanners at the post office to send cards to the King, when laying flowers and in signing the book of condolence for our late Queen.

**Our Attendance this week is 94.8%**

This week we have seen an improvement in our whole school attendance. Remember that children cannot learn if they are not in school. It also impacts their whole day if they are not on time, the gates shut at 8:50am. Please speak to Miss Allison or Mrs Wiltshire if you need any support with attendance and punctuality.

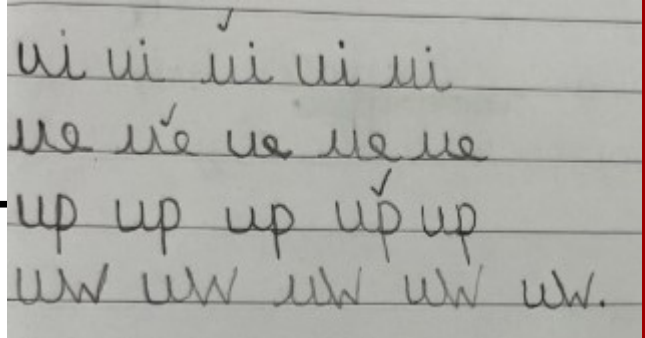

**Parent Pledge**

Parents evening for SEN children will be held next week. Look out for your appointment time!

**Handwriting**

We are practising our handwriting every day. We then need to make sure we use our practise in our own independent writing. Our tall letters and capitals should be much bigger than the small letters. We are really trying hard to get this the best it can be in all of our books.

**UNDERSTANDING YOUR CHILD**

**SOLIHULL APPROACH**

Parents are the most influential factor in a child and young person's life. All children from time to time can test the limits; it's an inevitable part of growing up. It is not always easy and kids don't come with an instruction manual! The Solihull parenting program will help you build a clear understanding of why children behave in the ways they do and how you can maintain a happy, calm home.
