'Shaping lives and building futures to be the best we can be'

We are a two - form entry primary school close to the centre of Doncaster, within the Balby community and we pride ourselves on our friendly approach, strong inclusive ethos and rich cultural diversity. We believe it is important to celebrate each child's uniqueness and individuality and our approach is driven by high expectations of learning and behaviour as we encourage all children 'to be the best they can be' in all aspects of their lives. We are committed to the education of all of our children, with a high quality curriculum and positive approach to learning. We are very proud of our children as young citizens, of their achievements and how they learn to build on their successes.

As a team we believe it is important to grow ourselves; to learn with and from others using research, professional development and work with partner schools within Rose Learning Trust and wider. We are very proud to be part of The Rose Learning Trust, a trust founded on a shared belief that best interests of children should be at the heart of the future of schools where the focus is ensuring that all of our children have the best tools and support to learn and grow in a safe, enjoyable environment.

We enjoy sharing our adventures and day to day activities on what we get up to as a school on our social media pages. Please follow us on Facebook and X.

WHY CHOOSE US?

We are fortunate to have very experienced members of staff in our Nursery who support the children's learning and make sure they get the best possible start for transitioning in to Reception, this is one of many benefits to choosing a school nursery.

Please come and have a look around and see for yourself what we offer in our fantastic nursery.

Open evenings and site visits are available to book.

We follow the Early Years Foundation Stage Curriculum to plan and deliver exciting, play based learning opportunities across the seven main areas of learning:

Prime Areas

Communication and Language

Physical Development

Personal, Social and Emotional Development

Specific Areas

Literacy

Mathematics

Understanding the World

Expressive Arts and Design

15 and 30 hour places available

We offer Full days from 08:45 – 15:15

Mornings sessions from 08:45 – 11:45

Afternoon sessions from 12:15- 15:15

We also offer Monday, Tuesday full days and Wednesday AM or full days Thursday, Friday with Wednesday PM. This is for 15 hour places only.

Our nursery is available to children age 3 years and above.

Don't just take our word for it...

Here is what our parents think about Nursery

"I have 2 little girls at Balby Central Primary Academy, one is 10 years old and the other is 4 years old, they both started at this wonderful school. I want to say that I have words of praise and appreciation for this school, the staff are all wonderful and very helpful. I want to tell you that my little girl, who is 4 years old, writes, colours, sings and many other activities that she does at the nursery. She is very excited and happy when she comes to the nursery and loves the Teachers very much. Respect for all the staff and thank you."

"My child has attended BCPA Nursery since January 2024 as an early starter and it has been an incredibly seamless transition from being at home with his mum and little sister to seeing my little boy at a stage where he is school-ready and so excited to attend on a daily basis. Staff instantly worked on building positive relationships with him and his other children and it's great to see how well-cared for he is in this setting as well as enjoying his learning time spent with friends he has made. The staff in nursery are brilliant - I couldn't be happier about his experience and it is clear just how fantastic the nursery and team are. He comes home brimming with things he has learnt, discussed or made and desperate to share how great his day has been - every day! Thank you so much for all that you do. I would definitely say that BCPA offers the best start to a child's school journey and feel so lucky that my little boy has the opportunity to attend"

"I was really worried about my son starting nursery as he could only say a few words but since coming to Balby Central nursery he has come on leaps and bounds. His speech has significantly improved and he's made lots of friends. He loves playing in the mud kitchen and on the bikes in big outdoor space nursery has. He's always happy to go to nursery as well as very excited to tell me all about his day."

"My two daughters attended this nursery, no issues at all. Youngest daughter has come on leaps and bounds since Miss Giddings has been in there!"

"The teachers have done a great job with my son, their kindness and patience is amazing, My Son is always happy to go to Nursery."

"Brilliant nursery, my Son loves going"

How to apply...

At Balby Central we aim to unlock each individual child's potential to succeed, thrive and to be happy on their own journey with us. We endeavour to create unforgettable learning experiences and immerse children in an environment where they feel confident to challenge themselves. We are constantly adapting to meet the needs of all as learners in this ever-changing society, ensuring that they are ready for the next stage in their lives. During their time at Balby Central, children are taught the skills of collaboration and the power of talk, confidence, resilience and effort, determination and reflection to support their academic successes as our school learning powers.

We strongly believe in a team approach, to utilise each others strengths, work together and to ensure that we increase our own expertise, knowledge and skill as professionals. We see every member of the team playing a key part in our school approach to improve outcomes and life chances for our children and their futures.

To apply please visit the Doncaster Council website
